### CONSCRIPTION, A CRIME **AGAINST CIVILIZATION**

On this page of the American Appeal is the news of the new movement in Europe to have the League of Nations abolish military conscription.

In the opinion of the American Appeal, here is a movement which holds tremendous promise for good. Military conscription is the greatest single challenge to

. The conscript is asked to summarily surrender his life, his conscience, his morality, his belief, his sense of humanity, all sympathy and feeling for his fellow men, AND GO OUT AND COMMIT MURDER, TO ANY GOVERNMENT WHICH HAPPENS TO BE IN CONTROL OF HIS COUNTRY. Not since the cawn of history has there existed any governmental right so atrocious in its nature, so fundamentally destructive and degrading, so wholly and completely enslaving. as the right claimed by modern governments TO ASK MEN TO KILL AND SUBMIT TO BEING KILLED REGARD-LESS OF THEIR IDEALS, BELIEFS OR INTRINSIC AL-

THIS RIGHT IS A COMPLETE DENIAL OF ALL MANHOOD, ALL TRUTH, ALL CHARACTER, ALL TRUE SPIRITUALITY.

It should be destroyed and removed from the face of the earth forever.

The movement by the high minded Socialists, Communists and Liberals of fourteen leading countries in Enrone to destroy it through the exercise of a world government IS A REAL MOVEMENT TOWARD CIVILIZATION.

Only a super government, only universal law and order, only the Co-operative Commonwealth can take away this fiendish power from governments, but the struggle around this principle will help vastly to bring the Co-operative Common-

It is a great issue launched by the intellectuals of our movement. If it is properly supported, it will provide our movement with spiritual contacts of a highly vitalizing order. It will provide us with a new spiritual lever with which to pry the present system into the pit of oblivion.
